Treasurers Report

Various expenses have been paid, deposit for Fireworks, Welcome back to the Lake, Flyers, T-Shirts, Creative Web, Dunham's, Printing cost for the Newsletter (Labels, Postage & Printers). Multiple deposits have also been made from member dues, donations, and funds from the change jar.

Guess Speaker

Josh Vickers from Marine Patrol expressed appreciation for the generous donations, which have been

very helpful. The funds were used to purchase Buoys (which are illuminated), equipment, and life jackets for the Deputy. They are grateful for the support. Additionally, Ovid Township received grant funding to acquire a new boat.

Regarding Boater Safety classes, there is a session scheduled for today, another on June 27th, with a final class planned for this fall. Last year, we had an attendance of 100 participants.

Please find the recent statistics: Total patrol hours: 425.5; Contacts made: 281; Citations issued: 19; Warnings issued: 251; Education efforts are ongoing; Complaints received: 49; Accidents reported: 2; OWI arrests: 1; Slow no-wake warnings: 101; Navigation rule warnings: 86; Registration warnings: 33; & Additional citations issued: 6

Fireworks

We are still in the process of collecting donations and need to return to some businesses to secure contributions. This year's fireworks event is scheduled for July 3rd, and next year's event will be held on Friday, July 2nd.

Weed Control

They have already accessed the lakes for weed management twice this year and sprayed. If you encounter any persistent weed issues, please do not hesitate to contact us.

Fish Stocking

Last year we introduced 500 Walleye and Perch in Long Lake and Archer Lake. This year the plan is to restock Walleye in Marble and Mud Lake in the fall and Perch in the Spring.

Canadian Goose Egg Removal / Nest Destruction

We collected 453 eggs. The total over the past three years was 1,089. We are optimistic that this trend will continue to improve in the coming years.

New Business

T-Shirts – We are pleased to announce the completion of our second year partnering with Integrity Apparel for online sales, which ran from May 17th to May 31st. We currently have a selection of additional shirts available for purchase. If you do not see an item you are interested in, please feel free to contact us.

Water Quality

Throughout the Lake District, community members have expressed common concerns regarding water quality and have collaborated to form a partnership. They work in partnership with government agencies to protect and enhance water quality in the Marble-Coldwater area. Their efforts include community education and raising awareness. You can follow their updates on Facebook or their website. Additionally, you are invited to participate by volunteering or making a donation.
